

Estimating Neutrino Signals Using reactors.geoneutrinos.org

Wednesday, 20 September 2023 09:40 (20 minutes)

This is an interactive tour of the neutrino signal estimates available using the online tool at reactors.geoneutrinos.org. Questions, feedback and recommendations from participants are encouraged.

Abstract title

Estimating Neutrino Signals Using reactors.geoneutrinos.org

Primary authors: DYE, Steve (U Hawaii); BARNA, Andrew (UCSD)

Presenter: DYE, Steve (U Hawaii)

Session Classification: Flux and spectrum prediction
