

# 2nd Liverpool Workshop on Muon Precision Physics 2023 (MPP2023)

## Thursday, 9 November 2023

### Quantum Vacuum (16:30 - 18:00)

time	[id] title	presenter
16:30	[44] Superconducting quantum devices for cQED experiments and quantum sensing	AHRENS, Felix Klaus
17:00	[45] Studying the quantum vacuum using superconductor-based circuit QED devices	CARUSOTTO, Iacopo
17:30	[46] Discussion
