## Showcase Event 2024

The LIV.INNO Showcase Event brings together PhD students, supervisors, and industry partners to celebrate two years of groundbreaking research in data-intensive science. You will be able to find out more about cutting-edge projects and explore the impactful work of our talented PhD students.

This event is your chance to forge partnerships and explore joint research opportunities, engage with leading experts, exchange ideas, and discover new opportunities for collaboration. The LIV.INNO Showcase Event is the perfect venue to connect, collaborate and drive forward-thinking innovation in data science.
