

Muon rotation meeting

Theory input and progress

JP, Tom Dave, Aidan Wright

Monte Carlo progress

Monte Carlo progress

- **Radio Monte Carlo meetings:**
 - November (Liverpool) [<https://indico.ph.liv.ac.uk/event/1720/>]

Monte Carlo progress

- **Radio Monte Carlo meetings:**
 - November (Liverpool) [<https://indico.ph.liv.ac.uk/event/1720/>]
 - Next one in May (Italy)

Monte Carlo progress

- **Radio Monte Carlo meetings:**
 - November (Liverpool) [<https://indico.ph.liv.ac.uk/event/1720/>]
 - Next one in May (Italy)
- **Phokhara progress:**
 - Soft photon resummation (important for radiative corrections)

Monte Carlo progress

- **Radio Monte Carlo meetings:**
 - November (Liverpool) [<https://indico.ph.liv.ac.uk/event/1720/>]
 - Next one in May (Italy)
- **Phokhara progress:**
 - Soft photon resummation (important for radiative corrections)
 - Theoretical aspects: revisiting of resummation procedure

Monte Carlo progress

- **Radio Monte Carlo meetings:**
 - November (Liverpool) [<https://indico.ph.liv.ac.uk/event/1720/>]
 - Next one in May (Italy)
- **Phokhara progress:**
 - Soft photon resummation (important for radiative corrections)
 - Theoretical aspects: revisiting of resummation procedure
 - Monte Carlo implementation (in Fortran in Phokhara)

Monte Carlo progress

- **Radio Monte Carlo meetings:**
 - November (Liverpool) [<https://indico.ph.liv.ac.uk/event/1720/>]
 - Next one in May (Italy)
- **Phokhara progress:**
 - Soft photon resummation (important for radiative corrections)
 - Theoretical aspects: revisiting of resummation procedure
 - Monte Carlo implementation (in Fortran in Phokhara)
 - Many other aspects!
