12<sup>th</sup> March 2025

Particle Physics Masterclass

UNIVERSITY OF  
LIVERPOOL

Liverpool  
Particle Physics  
Masterclass

2025

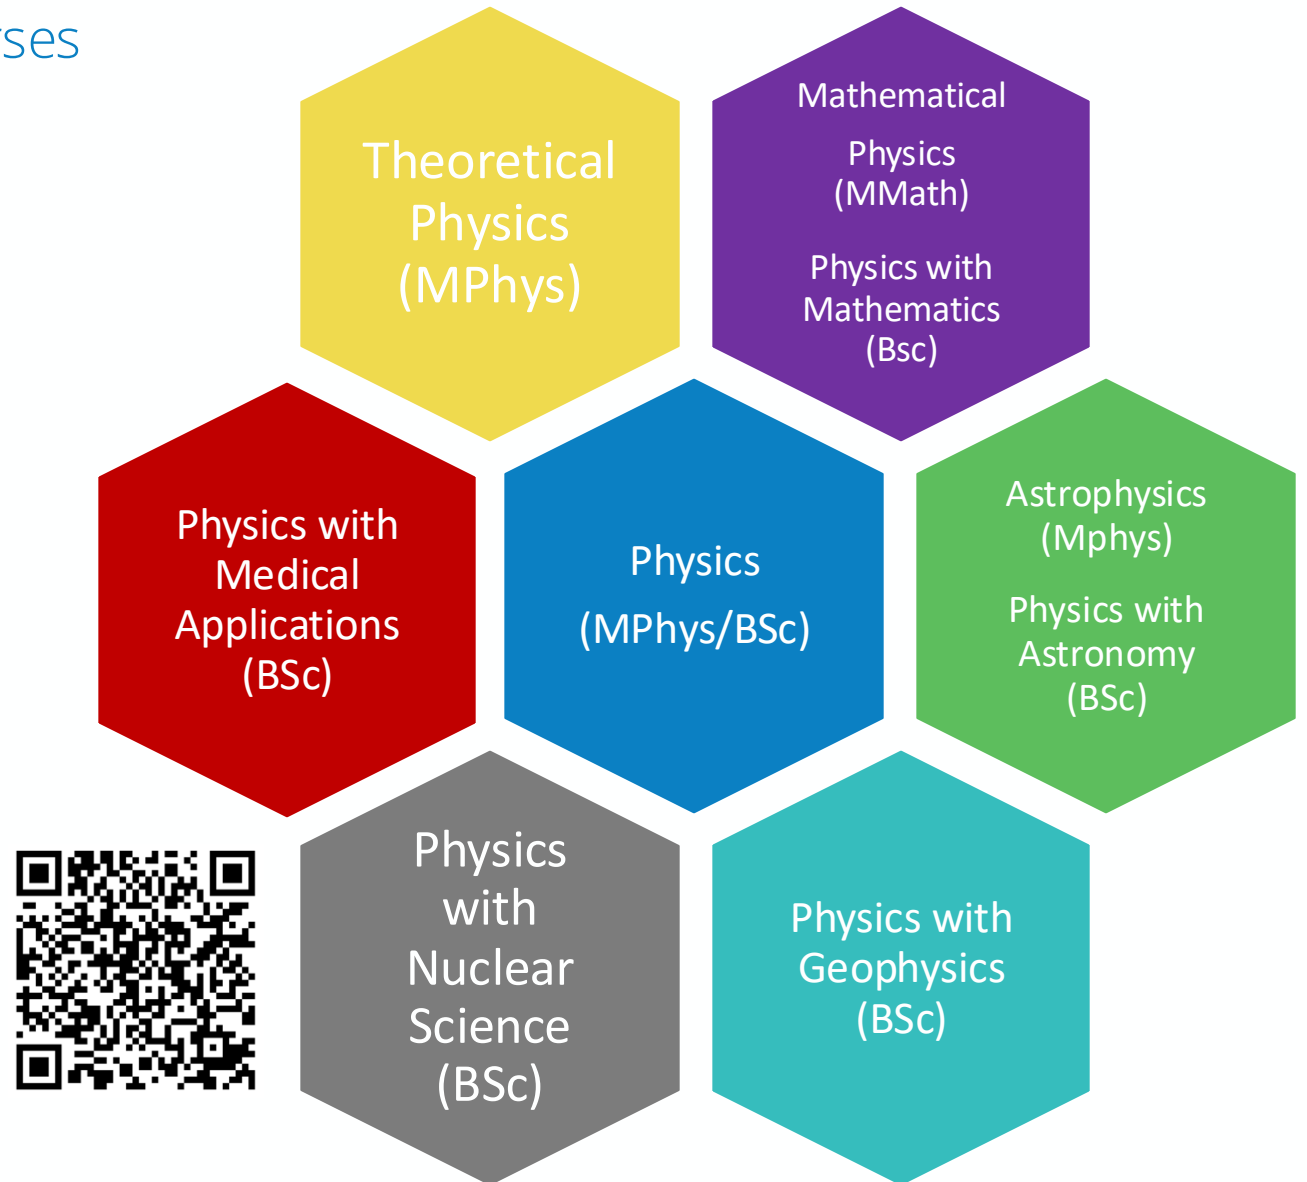

# Close out

- Thanks for coming to the Particle Physics Masterclass
  - We hope you had a fun and interesting day
  - And were able to:
- Learn a little about the basic building blocks of nature and the forces that bind them together
  - And how Liverpool are at the forefront of studying these
- Get a feeling of what it is like to do physics research
  - Within a large international collaboration
- See what the University of Liverpool is like
  - Exploring some of our state-of-the-art facilities

# Undergraduate

- We offer a wide range of undergraduate courses
  - Straight physics
  - Theoretical/Mathematical physics
  - Astrophysics
  - Specialist options
- Both 3-year bachelors and 4-year masters
  - Semester/year abroad
  - Internships
- Additional foundation course
  - 4-year physics BSc in conjunction with Carmel College
- More details
  - <https://www.liverpool.ac.uk/physics/study/undergraduate/undergraduate-programmes/>

# Open days

- Learn more about studying a physics degree at the University of Liverpool
  - Dates/Times: 20th & 21<sup>st</sup> June , 20<sup>th</sup> September, 11<sup>th</sup> October @ 10:00 - 13:30
  - Venue: Central Teaching Labs
  - Register: <https://tinyurl.com/UoLOpen>

Thank you  
Have a safe journey
