

## Data Science in Healthcare – Event Summary

c.p.welsch@liverpool.ac.uk

25 June 2025, The Spine, Liverpool

[www.livinno.org](http://www.livinno.org)

# Data Science in Healthcare and Health Technologies workshop

<https://indico.ph.liv.ac.uk/event/1999/>

# Purpose

Engaging mix of expert talks, discussions and focus groups.

- Share and learn about critical research challenges and discuss opportunities for collaboration; co-define development roadmap.
- Explore emerging themes and understand funding and partnership opportunities.
- Introduce LIV.INNO core team (*BIG thanks go to Alex, Naomi and Sandy!*)

<https://indico.ph.liv.ac.uk/event/1999/>

**LIV.INNO**

# Data Science in Healthcare and Health Technologies workshop

## Talks included:

- STFC
- University of Liverpool
- Alder Hey
- The Walton Centre
- The Christie
- CCI Photonics
- MyCardium
- LYEONS Neurotech
- ...

## Discussion groups:

- Trustworthy and explainable AI for clinical decision support
- Patient specific digital twins
- Physics informed machine learning
- Synthetic data generation and validation standards

# Data Science in Healthcare and Health Technologies workshop

09:00	<b>Registration</b> <i>The Spine</i> 09:00 - 09:30
	<b>Introduction</b> <i>Prof. Carsten Welsch</i> <i>The Spine</i> 09:30 - 09:40
	<b>Supporting the Research and Innovation System</b> <i>Katharine Robertson et al.</i> <i>The Spine</i> 09:40 - 09:55
10:00	<b>The Enterprise Team - HealthTech Innovation</b> <i>Dr Nicolas Nunn</i> <i>The Spine</i> 09:55 - 10:05
	<b>Collaboration Case Study - Adaptix Ltd</b> <i>Dr Alexander Hill</i> <i>The Spine</i> 10:05 - 10:20
	<b>Moderated discussion</b> <i>The Spine</i> 10:20 - 10:30
	<b>Coffee break</b> <i>The Spine</i> 10:30 - 11:00
11:00	<b>An Introduction to Health Data Research in the UK and an Overview of Activities at the University of Liverpool Funded by the EPSRC</b> <i>Dr Yalda Ashraf Kharaz</i> <i>The Spine</i> 11:20 - 11:40
	<b>The Alder Hey Blueprint: Driving Sustainable Innovation in Paediatric Health</b> <i>Dr Olufemi Olayide</i> <i>The Spine</i> 11:20 - 11:40
	<b>Neurorestoration and Data Science: Re-wiring Hope, Together</b> <i>Ms Deepti Bhargava</i> <i>The Spine</i> 11:40 - 12:00
12:00	<b>Smarter use of routinely collected data: The value of PSA dynamics for prostate cancer risk stratification</b> <i>Dr Jane Shortall</i> <i>The Spine</i> 12:20 - 12:30
	<b>Moderated discussion</b> <i>The Spine</i> 12:20 - 12:30
	<b>Lunch</b> <i>The Spine</i> 12:30 - 13:30
13:00	<b>1 - Trustworthy and explainable AI for clinical decision support</b> <i>Dr Alexander Hill</i> <i>The Spine</i> 13:30 - 14:30
	<b>2 - Patient-specific digital twins</b> <i>Dr Milaan Patel</i> <i>The Spine</i> 13:30 - 14:30
	<b>3 - Physics-informed ML</b> <i>Dr Nikolaos Rompotis</i> <i>The Spine</i> 13:30 - 14:30
	<b>5- Synthetic data generation and validation standards</b> <i>Dr Debdeep Ghosal</i> <i>The Spine</i> 13:30 - 14:30

	<b>Lunch</b> <i>The Spine</i> 12:30 - 13:30
13:00	<b>1 - Trustworthy and explainable AI for clinical decision support</b> <i>Dr Alexander Hill</i> <i>The Spine</i> 13:30 - 14:30
	<b>2 - Patient-specific digital twins</b> <i>Dr Milaan Patel</i> <i>The Spine</i> 13:30 - 14:30
	<b>3 - Physics-informed ML</b> <i>Dr Nikolaos Rompotis</i> <i>The Spine</i> 13:30 - 14:30
	<b>5- Synthetic data generation and validation standards</b> <i>Dr Debdeep Ghosal</i> <i>The Spine</i> 13:30 - 14:30
14:00	<b>Bridging discussion</b> <i>Carsten Welsch</i> <i>The Spine</i> 14:30 - 15:00
15:00	<b>Coffee break</b> <i>The Spine</i> 15:00 - 15:30
	<b>Saving your life in 15 minutes!</b> <i>Dr Carlos Alejandro Meza Ramirez</i> <i>The Spine</i> 15:30 - 15:50
	<b>Cardiology and AI</b> <i>Chloe Bickerstaff</i> <i>The Spine</i> 15:50 - 16:10
16:00	<b>Closing the Loop: Central Nervous System Modulation Through Physiological Synchrony for Anxiety Support</b> <i>Lucy Jung</i> <i>The Spine</i> 16:10 - 16:30
	<b>Workshop close</b> <i>The Spine</i> 16:30 - 16:50

# Impressions (more on indico site)

# Summary

- Workshop held at the Spine on 25<sup>th</sup> June 2025.
- More than 40 industry representatives, clinicians and academics including several LIV.INNO PhD students attended this invitation-only event.
- Summary presented at [AI in Healthcare Symposium](#) on 26<sup>th</sup> June 2025, organized by Health Innovation North-West Coast.
- Many new contacts were made for potential future collaboration.
