

Entrepreneurial Skills

Tuesday, 23 March 2021 13:15 (45 minutes)

Mohammed Belal is currently an Enterprise Fellow at STFC. Previously he was a Business Development Director and Co-Founder of Spin-Out Company MIRICO, a company that has developed a transformational technology for gas sensing.

He will share his experience on what is required to take an idea to market and setup a spin-out company on the basis of setting up the company MIRICO.

Presenter: Mr BELAL, Mohammed (STFC)
