

Workshop on Muon Precision Physics

Monday 07 November 2022

Opening Session: Welcome to the workshop and general muon physics talks (14:30-18:00)

time	[id] title	presenter
14:30	[2] History of the Muon g-2 experiment and the Muon Precision Physics Program	VENANZONI, Graziano
15:00	[3] Muon Precision physics: the technological prospects	CASSE, Gianluigi
15:30	Coffee Break	
15:50	[4] Muon Program at Fermilab	CASEY, Brendan
16:20	[5] Anomalies with muons at LHCb	TUNING, Niels
16:50	[6] The Precision frontier of particle physics	MASIERO, Antonio
